Sea Sunday 12th July 2015.

Today is Sea Sunday, when the Church prays for all those who live and work at sea. Without them we would not have most of the items we buy in the shops. Today's second collection is for the Apostleship of the Sea (AoS) the Church's official maritime welfare agency. It supports seafarers, both practically and spiritually. This annual collection is absolutely vital to enable it to continue its work, so please give generously and remember seafarers and their families in your prayers.

For more information on the work of the Apostleship of the Sea, please visit their website: www.apostleshipofthesea.org.uk

We don't do Christenings !

Pope, now Saint John Paul II said his being baptised was the greatest event of his life. We must be clear in assisting parent's requests for their child that they are abundantly clear about this wonderful Sacrament. If Deacon Barry or I ask you to call on a near-neighbour who has made a request to befriend and instruct them, where would you start?
