Assisted Suicide Bill.

On Friday 11th September, the House of Commons will debate and vote on a Bill to legalise assisted suicide. This will put the most vulnerable people in our society at risk.

Please contact your MP, urging them to attend the debate and vote against the Bill. You can send an email to your MP via the Catholic Bishop's Conference website: www.catholicnews.org.uk/assisted-suicide or send a letter by post, a draft of which can be found at the back of the church.

Lest we forget.

One of the most important events of our time is the Synod on the Family, taking place in October. Whilst we have not had organised meetings and discussions locally, there is need for urgent prayer, honest soul-searching, and plain speaking. Many older parishioners are only too well aware that their children and grandchildren walk away from a Church that no longer seems able to respond to the demands of our times.

Some have experienced the pain of divorce and the exclusion from the Eucharist, of family members and friends who have remarried. We must be prepared to listen to people and journey with them without accusation or condemnation, even if they are mistaken or ill-informed. *We must be a people of hope.*
